SusieCakes®

Draw Something for Dad!

Please keep your child's drawing inside the frame.
Anything outside will not be included.

HOW TO SUBMIT TO SUSIECAKES (due 48hrs before pickup date)

OPTION 1   Scan & email this page to CS.emails@susiecakes.com along with the email associated with your order. Scan directions on the following

OPTION 2   Write the first & last name associated with your order on this sheet and bring it to the bakery you placed your order with.

How to Scan

iPhone

1. In the Files app, tap the More button. ⊙
2. Tap Scan Documents.
3. If your device is in Auto mode, your document will automatically scan. If you need to manually capture a scan, tap the Shutter button or press one of the Volume buttons. Then drag the corners to adjust the scan to fit the page, then tap Keep Scan.
4. Tap Save or add additional scans to the document.

Android

1. Open the Google Drive app. 🔺
2. At the bottom right, tap Camera. 📷
3. Point your device's camera at the document.
4. A blue line outlines the document. This indicates where the picture will be cropped.
5. Take a photo of the document that you'd like to scan.
6. Optional: You can toggle automatic capture by choosing between Manual and Auto capture.
7. Adjust your scanned document.
8. Adjust scan area: Tap Crop & Rotate .
9. Retake the photo: Tap Retake .
10. Tap Done.
11. Create your own file name or select a suggested title.
12. To save the scanned document in a specific format, select either .pdf or .jpg.
13. Optional: To select the Drive folder where you'll save the document, tap Location.
14. To save the finished document, tap Save.

You can also use a free document scanner app!
